**IMPORTANT:** The mortgage company can bid a higher or lower amount than listed. This can happen for a number of reasons. The mortgage company can incur further costs after the actual sheriff sale has been set up, such as insurance, upkeep and/or maintenance on the property, and taxes, to name a few.

You might want to contact the sheriff's office the day of the sale or a day prior to the sale to make sure that the property you are interested in is still going to be sold at the sheriff's sale. **Some sales get cancelled or postponed for various reasons right up to the moment of the sale.**
